Foreword

We feel that the school term of 1966-1967 will long be remembered in the hearts of graduating seniors along with all of the student body of Fairview High School.

In an effort to retain for you this memorable year with all of its joys, we have compiled the 1967 Yellowjacket. We are proud of our accomplishments and humbly thank you for the trust and faith that you have placed on our shoulders.

As this term closes we truly begin to treasure this year of progress. The joys, work, ideas, fun, parties, decisions, and conclusions may be determining factors in our future. Our victories along with our defeats have made us stronger individuals in every way. We know that as individuals we must use the knowledge we have attained to carve and mold our future. The path we are to follow in the future will be long and narrow. The obstacles, challenges, victories, and defeats we will meet must be faced with pride and determination.

We know that our past years in FHS have been guide posts pointing us in the right direction and will enable us to lead long and successful lives. Yes, this has truly been a memorable year. And as this year closes

Let each of us say;
I have dreams that I must reach,

"And miles to go before I sleep,
And miles to go before I sleep."
Robert Frost

Dearest Mama,

I am so sorry to have been such a long time in writing to you, but I have been very busy. Thanksgiving Day was the first day I had to myself, and I spent it with Mrs. Hunt-Jones. Her husband is a Presbyterian minister, and they have a beautiful home. I went to church with them in the morning, and in the afternoon Mrs. Hunt-Jones took me to see the Art Museum. It is a beautiful building, and contains many fine pictures. I spent the evening with Mrs. Hunt-Jones' daughter, Miss Alice Hunt, who is a graduate of Wellesley College. She is one of the sweetest girls that I have known for a long time. I shall write you a long letter very soon, and tell you all about my visit. Best wishes and love to all.

Affectionately yours,
Lucinda
